(All the above information should be there in each weekly report)

→ **Weekly Summary (Short summary about what you did this week)**

- ◆ Worked separately on our respective modules.
- ◆ Met with our client, Merry Rankin, and Steve Kohtz, a graduate student that will be working with Merry on this project.

→ **Past week accomplishments (please describe as what was done, by whom, when)**

- ◆ Guan Keng Lim - Meeting with client, researched on image changing through hover-popups(click on an image + popup showing list of images + click on different image changes the image showed on main page)
- ◆ Daniel Cain - Met with the client, researched techniques for incorporating information from a database into a user interface.
- ◆ Bri Gerads - Researched development techniques for generating new questions in the quiz interface and the interactions with the user/admin.

➔ **Pending issues (if applicable)**

◆ Not applicable this week.

➔ **Individual contributions**

NAME	Individual Contributions	Hours this week	HOURS cumulative
Brianna Gerads	Met with client and ironed out details, met with grad student, read through appliances and questions list grad student provided. Researched development techniques for generating new questions in the quiz interface and the interactions with the user/admin	2	20.5
Daniel Cain	Met with Merry, studied database calls using AJAX	2.5	17.5
Guan Keng Lim	Meeting with client, researched on image changing through hover-popups(click on an image + popup showing list of images + click on different image changes the image showed on main page)	3	19

➔ **Comments and extended discussion**

➔ **Plan for coming week (please describe as what, who, when)**

◆ Bri: Begin implementation of making quizzes changeable per user

◆ Guan: Meet with advisor and team to discuss about all other features client requested

◆ Daniel: Find a new module for the project and begin development on it, start combining modules that have already been finished.

→ **Summary of weekly advisor meeting (if applicable/optional)**

None.
